The site would be an admirable one for the museums, being but a block from the Capitol, and at a junction of two important street car lines, but the proposition has, until now, met with the disapproval of the Philadelphia authorities, who had hoped to receive an appropriation from Congress of \$600,000

appropriate a yearly allowance of \$100,600 for current expenses of the work,
but no favorable action was taken in
either case, and the friends of the institution have become discouraged, and
would as leave have it located in Washington as any place else.

Both the Pennsylvania and Baltimore

Every mother feels a great dread of the pain and danger attendant upon the most critical period of her life. Becoming

danger incident to the ordeal makes its anticipation one of misery. Mother's Friend is the only remedy which relieves women of the great pain and danger of maternity; this hour which is dreaded as woman's severest trial is not only made painless, but all the danger is avoided by its use. Those who use this remedy are no longer despondent or gloomy; nervousness, nausea and other distressing conditions are overcome, the system is made ready for the coming event, and the serious accidents so common to the critical
